Dear Client

We at Impact Meter Services process thousands of electricity accounts every month. In terms of our policy to maintain service excellence and integrity of the highest standards, we herewith offer a more efficient and convenient payment system to all our clients in the form of debit orders.

This automatic account debiting facility will debit your bank account on the 1st day of the month following that in which your electricity account has become due for payment, with the amount that is indicated on such account. An invoice is posted to you at least two weeks before any amount is debited to enable you to query should there be any irregularities.

Here below is a debit order authorization form, which needs to be completed and returned to our offices for the debit order to take effect.

Geagte Kliënt

Ons by Impact Meter Dienste hanteer maandeliks duisende elektrisiteitrekenings. In terme van ons beleid van uitstekende diens en integriteit van die hoogste standarde bied ons hiermee aan al ons kliënte 'n beter en meer effektiewe betaling stelsel in die vorm van debietorders.

Hierdie outomatiese rekening debiet fasiliteit sal op die 1ste dag van elke maand u bankrekening debiteer met die vorige maand se bedrag wat op u elektrisiteitsrekening verskyn. 'n Faktuur sal ten minste 2 weke voordat enige debiet transaksie plaasvind aan u gepos word ten einde u instaat te stel om enige navrae in verband daarmee met ons op te neem.

Hieronder is 'n debietorder magtigingsvorm wat u moet voltooi en aan ons terugbesorg alvorens die debietorder inwerking kan tree.
